# 2300 Year Prophecy Worksheet

*In this parable, as in that of Matthew 24, two classes are represented. All had taken their lamps, the Bible, and by its light had gone forth to meet the Bridegroom. But while “they that were foolish took their lamps, and took no oil with them,” “the wise took oil in their vessels with their lamps.” The latter class had received the grace of God, the regenerating, enlightening power of the Holy Spirit, which renders His word a lamp to the feet and a light to the path. In the fear of God, they had studied the Scriptures to learn the truth, and had earnestly sought for purity of heart and life. These had a personal experience, a faith in God and in His word, which could not be overthrown by disappointment and delay. Others “took their lamps, and took no oil with them.” They had moved from impulse. Their fears had been excited by the solemn message, but they had depended upon the faith of their brethren, satisfied with the flickering light of good emotions, without a thorough understanding of the truth or a genuine work of grace in the heart. These had gone forth to meet the Lord, full of hope in the prospect of immediate reward; but they were not prepared for delay and disappointment. When trials came, their faith failed, and their lights burned dim.”*
